

# Designed to help you conquer the world together with your children.

Carqon as a company or Carqon dealers accept no responsibility for damage which has arisen through improper use. Only use the cargo bike as described in this user manual. Any other use is deemed to be improper and can lead to accidents, serious injury and damage to the cargo bike. Improper use of the cargo bike voids the warranty (see full user manual). The cargo bike is intended for use by one person as a rider and the seating position of the cargo bike should be set up for their body size. The cargo bike is only intended for use on roads and paths with a smooth surface. Any use on unfinished paths which have not been paved in asphalt, cement or plaster may lead to damage to the cargo bike.

Quick guide

## Rain tent

# Installing the Carqon Raintent

Comfortable and dry from door to door thanks to the stylish, streamlined rain tent made of sturdy nylon with water-repellent PVC coating. The black rain tent has charming, large windows and is easily foldable so that you can take it with you wherever you go.

1

- EN** Lift up the tent and place the brackets into the socket  
Attention! The poles must be on the inside of the tent
- NL** Til de tent op en plaats de haken in de houders. Let op! De stokken komen aan de binnenzijde van de tent
- FR** Soulevez la tente et placez les attaches dans les encoches correspondantes Attention ! Les arceaux doivent se trouver à l'intérieur de la tente
- DE** Heben Sie das Verdeck an und platzieren Sie die Halterungen in der Fassung. Achtung! Die Stäbe müssen sich an der Innenseite des Verdecks befinden

2

- EN** Fasten the belts on the steer side with the button to the box
- NL** Bevestig de gordels aan de stuurzijde aan de bak doormiddel van de drukknoppen
- FR** Fixez les deux ceintures du côté du guidon à l'aide du bouton se trouvant sur le bac
- DE** Befestigen Sie beide Gurte mit dem Knopf zur Transportbox auf der Lenkerseite.

3

- EN** Pull the rain tent firmly over the box and fasten all remaining buttons the box
- NL** Trek de regentent goed over de bak en bevestig alle overige drukknoppen aan de bak
- FR** Tendez bien la tente de protection au-dessus du bac et attachez les boutons restants
- DE** Ziehen Sie das Regenverdeck kräftig über die Transportbox und befestigen Sie alle verbliebenen Knöpfe an der Box.

4

- EN** You can close or open both sides of the rain tent by using the zippers and the button
- NL** Beide zijden van de regentent zijn te dichten of te openen met de ritsen en de drukknop
- FR** Vous pouvez fermer ou ouvrir les deux côtés de la tente de protection à l'aide des fermetures éclair et du bouton
- DE** Sie können beide Seiten des Regenverdecks schließen oder öffnen, indem Sie die Reißverschlüsse und Knöpfe verwenden.
